

Use STEAM to Fuel your Summer Fun with STARBASE ROBINS at the Museum of Aviation

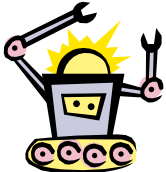

***** All Academies are for entering 6 – 8 graders *****

STEMpowered Girl's: June 5th – 16th 9:00 am – 3:00 pm \$200
(Monday – Friday) (Scholarships may be available)

Allows rising 6th – 8th grade girls to experience a variety of hands-on activities that will establish a STEM mindset to EMPOWER their future. This academy involves 3D modeling using state of the art computer aided design (CAD) software, 3D printing and coding and engineering challenges. This is a two-week academy (Monday – Friday).

Robotics I Academy: June 19th – 23rd 9:00 am – 3:00 pm \$175

Students will gain skills and confidence through creating, exploring, and problem-solving using the Lego EV3 Robotic Kit. The students will program, collect data, and complete specific challenges using the EV3 robot. (All material provided)

Ag STEM Academy: June 26th – June 30th 9:00 am – 3:00 pm \$175

Join us for a five day program that will provide open avenues for interdisciplinary communication, education and enthusiasm for agriculture. Learn about the science of agriculture, food science and our natural resources.

To register now, complete the registration form on the reverse and mail to STARBASE ROBINS.
